This application consists of this instrument, the financial statement, and an indemnity, security, and trust agreement signed by the applicant with regard to the bond or bonds requested, such financial statement and agreements incorporated by herein by reference.

The undersigned, and each of us, authorize the Surety to obtain credit information and make other such investigation, as it deems necessary to underwrite this application. The undersigned, and each of us further represent that the information contained in this application and all documents referred to herein is true and that such information is being submitted for the purpose of indicating a Surety to issue bond(s) and that Surety is relying upon such information as a condition to the issuance of such bond(s).

In addition to the information contained in this application as well as the terms and conditions thereof, applicant acknowledges that he has been advised that the Surety may, as additional collateral, require insurance on the principal or key employees with the Surety named as beneficiary. In case of death said collateral shall be used to indemnify Surety against loss or expense. If said collateral shall be required, applicant agrees to provide same at issuance of bond or if unable to so provide, applicant agrees that Surety may secure same at applicant's expense.

In the event that a bond or bonds are issued, the undersigned and all indemnitors of the undersigned, if any, agrees to pay or cause to be paid the premium at the rate charged therefore, and any additional charge for contract increases, if any, that may be due to Surety.
